

ACS
Chemistry for Life®

American Chemistry Society Scholarships

ACS sponsors scholarship programs for qualified applicants who want to enter the fields of chemistry, biochemistry, chemical engineering, chemical technology and teaching. The programs aim to encourage diversity among applicants and build awareness of the value and rewards associated with careers in science and technology.

- **[ACS Scholars Program](#)**
Renewable scholarships for underrepresented minority students who want to enter fields in the chemical sciences. Scholars are selected based on academic standing, financial need, career objective, leadership skills, and involvement in school activities and community service.
- **[Project SEED](#)**
Scholarships to assist former SEED participants in their transition from high school to college. Students are eligible to receive up to \$5,000.
- **[ACS-Hach Second Career Teacher Scholarships](#)**
Awarded to working chemists with an interest pursuing a teaching career at the secondary and postsecondary level.
- **[ACS-Hach Post-Baccalaureate Teacher Scholarships](#)**
Awarded to working recent graduates, graduate students, and post-doctoral professionals with limited work experience and an interest pursuing a teaching career at the secondary and postsecondary level.
- **[ACS-Hach Land Grant \(Undergraduate\) Teacher Scholarship](#)**
Undergraduate students selected by partner universities on the basis of their interest in and aptitude for teaching.
