Change my Authentication Questions and Answers

1. Access the [NDUS Identity Manager](#).
2. Enter User ID (firstname.lastname) and Password. Click **[Log In]**.

The screenshot shows the login interface for the North Dakota University System Identity Manager. At the top, there is a dark header with the university logo and the text "NORTH DAKOTA UNIVERSITY SYSTEM" and "ACCESS INNOVATION EXCELLENCE". Below the header, the text "Log In to The North Dakota University System Identity Manager" is displayed. There are two input fields: "User ID" and "Password". A "Log In" button is located below the password field.

3. Click **[Change my Authentication Questions and Answers]**.

The screenshot shows the "User Management" page of the North Dakota University System Identity Manager. The header is the same as in the previous screenshot. Below the header, the text "User Management" is displayed. There are two links listed: "Change My Password" and "Change My Authentication Questions and Answers". The second link is highlighted with a red rectangular box.

4. Update answers to Authentication Questions. Click **[Save]**.
