

BISMARCK STATE COLLEGE
MLT Program Advisory Committee Meeting
Student Union Missouri Room – October 8, 2018

Report of Program Activity Since April 2018 Meeting

MLT Class of 2018

Two students completed their final clinical rotation during spring semester and one promptly wrote the BOC exam. I have been in contact with the students and reminded Graduate #2 that taking her boards soon was a good idea.

Grad	BOC Date	BB	UA	Chem	Heme	Immu	Micro	LO	Total	Employed
#1	6/6/2018	760	999	664	539	413	496	366	592	NPL
BSC Mean Score		760	999	664	539	413	496	366		
Nat'l Mean Score		525	500	516	524	511	516	535		

A fifth student from the class of 2017 failed chemistry lecture/student lab in summer 2016. Program officials allowed her to continue with her clinical rotations, except for chemistry. She finished the final rotation through all other areas in Feb. 2017 and repeated the chemistry course in summer 2017, along with the chemistry clinical rotation, then wrote and failed final comprehensive exams A and B. She elected not to reapply to the program.

MLT Class of 2019

One student is completing her clinical rotations at Sanford will finish in January, while 2 students at Sanford will finish in May. The student at Miles Community College intends to finish by December and graduate. The additional student that was interning in Miles City has decided to remove herself from the program.

MLT Class of 2020

Eleven students started Fall 2018 in parasitology (we swapped Urinalysis and Parasitology), 8 on campus at BSC along with 3 students at Miles Community College, one student was exempt from Parasitology but will be taking urinalysis. Three students have since withdrawn, one has decided to finish up all of her gen. ed. classes and start the MLT curriculum in fall 2019, the other will be moving out of state, and the third student would like to take a semester off in order to determine if MLT is the right career path. We also have one student that is on probation for attendance in Bismarck.
